

## ***2015-2016 ST. MARY DRESS CODE***

“The School Uniform is a special sign telling others who our students are and to whom they belong. Students who are well groomed, neat, and clean have a certain pride about themselves that is reflected in their actions. Our students are a group of dedicated young people proud to be counted as Christ’s disciples and willing to try to make a difference in becoming all God intends them to be. They hope to make our world a better place because they are a part of it. Our School Uniform should be worn with dignity and pride!”
