

Men's Club/HNS Donates \$6,300 To Adopt A Student Fund

The St. Mary Men's Club/Holy Name Society presented a \$6,300 check to St. Mary School Principal Mary Benns for the Adopt A Student Tuition Assistance Fund. The donation was generated from the proceeds of the St. Mary of the Assumption Parish Golf Outing at Powderhorn Golf Course in August. The Men's Club/HNS sponsored and managed the outing.

The tuition assistance fund makes a Catholic education more affordable to families who want to provide their children with a faith-based education but don't have the means to do so. The Men's Club/HNS has long supported the fund donating the equivalent of a full school tuition annually.

Thank you to all those who participated and to our sponsors who helped make this day possible. We look forward to seeing you at the 2022 outing!

For information on sponsoring or participating in next year's outing please email Jeff Fenner at jfenner@b-communications.com
